All our children are expected to complete their required reading list over the summer. Please support their efforts by providing a quiet time and place to read several days each week. If possible, explore the Book Adventure web-site at www.Bookadventure.org. Books marked with an asterisk(*) have a quiz that might help your child keep the facts in mind. You might also like to try typing the title of a book on www.google.com for study guides and activities.

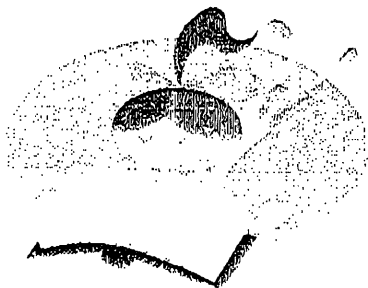

Have fun reading and learning this summer!
